EXCHANGE IN SECTOR 6

Ein wesentlicher Beitrag zum Kennenlernen und dem damit verbundenen guten Verstehen zwischen den Kontingenten ist der Austausch von Soldaten. Unser Bild zeigt CO Obstit H.J. One of the ways to improve knowledge and understanding between the Contingents is to exchange small parties of soldiers. The ceremony itself was a parade on the car-park of the Ledra Palace Hotel, on which Colonel C V Carlson CD took the salute, and witnessed the signing of the handover certificates. The parade itself was formed of one platoon and the Colour Party from each Battalion. After Colonel Carlson had inspected the platoons, the 2 RCR colour was marched off parade. The two Commanding Officers signed the Change of Command Certificates, and then the PPCLI colours were marched onto the parade and Lieutenant Colonel

McKenzie's flag was raised.

In a short speech Colonel Carlson praised the departing members of 2nd Battalion The Royal Canadian Regiment for having done a good job during their six month tour.
