Så har vi altså JUL igen -det la'r sig ikke skjule!

Medens jeg sidder og redigerer siden her, tumler de i resten af velfærdslandet med poser og kasser fyldte med julesager. Det vrirler med JULElys og JULEkager, med JULEnisser og JULEtræslyst og med alt muligt andet, der begynder med JUL.

Det flyder med pakker. Ingen bliver glemt, håber vi da. Hvert kompagni og hvert belægningsområde får sit. Vi skal alle have vor ration af alt det, der begynder med JUL, og det skal blive helt spændende at komme rundt og se, hvordan vi hver især indretter vore JULEstuer og forbereder os på at fejre jul, omgivet af JULEpynt og JULEstads og alt det andet, der begynder med JUL.

Men julens mening kommer først rigtig frem, når vi husker, at julen begyndte, da Livets Herre lod sin nåde og sin fred forkynde for os mennesker i Jesu Kristi navn, således som vi hører det i juleevangeliet: Se, jeg forkynnder jer en stor glæde, som skal være for hele folket, thi Eder er i dag en Frelser født i Davids by, som kaldes Bethlehem. Den nat tog julen sin begyndelse.

Lad os da fejre JUL i lyset af den julenat, hvor alverden genlød af julens takkesang: ære være GUD i det høje, og fred på jorden og god vilje mellem os mennesker.

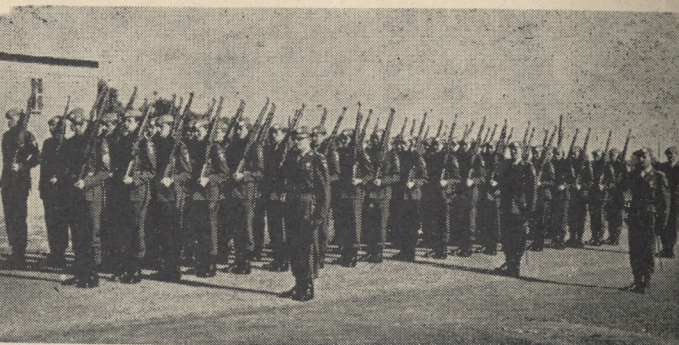

GLÆDELIG JUL

■ Sikken en masse juletræer, vi skal bruge. Men bare rolig. Velfærdskontoret og pionerdelingen sørger også for den side af sagen.

Afskedsparade

Som vi alle ved, trak generalen sig tilbage fra sin post den 20. december. I den anledning afholdt UNFICYP forrige torsdag en storstilet parade for generalen, hvori alle kontingenter deltog. DANCON var repræsenteret ved ALFA coy, der under MAJ A. Sørensen's personlige ledelse gjorde det meget, meget fint.

Ugens tip!

I anledning af julen har sætternissen bedt os om at opfordre alle til at udvise den yderste agtpågivenhed overfor brandfare. Levende lys, tørt træ, papir og anden juleudsmykning danner -særlig i forbindelse med juleøl og gløgg - en yderst brandfarlig cocktail. Sørg altid for at have en fyldt gulvspand klud og svaber klar. Glædelig jul!

■ Lørdag d.13. dec. holdt DANCIVPOL atter en af deres vellykkede fester, der denne gang fik ekstra kolorit ved besøget af de irske sækkepibere "the snack charmers", der her ses i fuldt sving med et af deres store numre.

THE "POMPADOURS" IN LIMASSOL

The Band of the 3rd Battalion The Royal Anglian Regiment took time off from their busy programme of Ceremonial parades to give a concert at the Garden Club in Limassol on the afternoon of 11th December.

Starting with a fanfare composed by the Bandmaster Mr Bowness Smith, the band played a concert of varied music including the Waltz from "Masquerade" by the Russian Composer Khatcheturian, Ketelby's well known "Persian Market" and the Glen Miller arrangement of "The American Patrol". The audience were most appreciative and joined in with the

hand clapping in a selection of country and western music.

Several of the younger members of the audience were not shy in coming forward to give the band the benefit of their conducting talents as can be seen in the photograph (left).

The Band concluded its concert with a selection of Christmas music and Carols.

SPORTS RESULTS

CROSS-COUNTRY:

The eighth and final League Race of the Cross country season took place at AKROTIRI RAF Cross-country Course over a testing and blustery 6½ miles on Wednesday, 17 December 69.

The welcome return of Sergeant Sean O' Sullivan (although still shaky after his recent illness) seemed to inspire the rest of the IRCON team to run with great spirit and team work, and so secure second place of 9 teams.

This result enabled IRCON to finish leading UN team and also ensured them of 3rd placing in the Cyprus Cross-country league of 12 teams.

SOCCER:

Interest in the inter Compa-

ny soccer league reached fever pitch last week with the playing of the all important A V B Coy match at LEFKA stadium. B Coy wanted to win to force a play off and from early in this most interesting and intense game it was evident they had every intention of gaining full points. However, after a most gallant effort by all eleven players they were finally beaten by three goals to two.

A Coy are to be congratulated on their most consistent performances throughout the league. Each match must have been like a cup tie for them for from early on it was evident they were the team to beat. However, they rose to the occasion each time and were deserving Champions at the end.

Medals were presented to the winners at the end of the game by Mrs Carrol wife of the Commanding Officer Lt Col Carroll.

Order of the day of the Force Commander

LT. GEN. A. E. MARTOLA

Officers, non-commissioned Officers and Soldiers of the United Nations Force in Cyprus:

You all know that the Secretary-General of the United Nations, U Thant, acceding to my request has released me from my post as Commander of UNFICYP, effective 20 December, 1969. The moment has therefore come for me to leave you, after three and half years of close collaboration. Taking into account the Contingents which served in Cyprus during that time, I have had under my command a total of some 28,000 UNFICYP soldiers.

It has been a great privilege for me to be your Commander because from wherever you have come, from Australia, Austria, Canada, Denmark, Finland, Ireland, New Zealand Sweden or the United Kingdom, you have all been moved by the same desire to fulfil with a sense of responsibility and to the best of your ability the mission entrusted to you by the United Nations.

Thanks to the perfect understanding between the different national contingents forming UNFICYP, we have been able to unite our efforts for the success of that task.

Our peace-keeping and peace-making mission in Cyprus is complex and delicate, requiring firmness and tact in its execution. You have all admirably understood the specific character of our mandate. In his recent report to the Security Council, Secretary-General U Thant says that UNFICYP has played a vital role in the great improvement of the situation in Cyprus and praises the members of UNFICYP for the exemplary manner in which they are carrying out their important and difficult tasks. Of the thanks so expressed, every man who has served in the Force is entitled to his share.

Although it has as yet not been possible to find a final solution to the Cyprus problem, we all hope that this goal will soon be reached. The friendly and industrious inhabitants of Cyprus deserve to see peace restored to their land so that they can devote their energies to the full development of the rich economic possibilities of this beautiful Island and achieve lasting happiness in full harmony with each other. All of us have come to love this Island and its citizens. Our working relations with the Cyprus Government and the Turkish Cypriot leadership have been excellent, as without the good co-operation of the interested parties the successful completion of our mandate would not be possible. I wish to express my deepest gratitude to the Secretary-General.

It is sad to leave you all but personal ties will continue to unite us in the future. The strongest tie will be the recollection of the many years and months we have worked with determination for the ideals of the United Nations to which I, and I am confident, all those who have served under me, will remain dedicated.

Order of the day by Maj-Gen. D. Prem Chand, PVSM

Upon assuming his command of UNFICYP on 20 December 1969, Major-General Prem Chand issued the following Order of the Day:

I consider it an honour indeed to have taken over command of the splendid UNFICYP that has been for so long most ably commanded by my predecessor, Lieutenant-General A.E. Martola, and I do so with mixed feelings of humility and pride. Under his distinguished command the

Force has done much to carry out the aims of the United Nations Force in Cyprus and now it remains for us together to complete the job so well begun. In this I know I can count upon the complete support and loyalty of all who serve in UNFICYP and, secure in this knowledge, I am confident that we will march steadily forwards towards our objective which is to help our good friends in Cyprus to achieve the peace and happiness they so earnestly desire.

RAUHANMIES KOTIUTUU — kenrI I. A. E. MARTOLA

KenrI A.E. Martolan, Force Commanderin, lähtäisparaati pidettiin HQ UNFICYP:ssä 18.12.1969 alkaen klo 12.00. Tilaisuus oli mielihyvä ja sotilaalliset läksiäispuitteet juhlistivat tapahtuman huippuunsa muidenkin kuin suomalaisten osalta.

Kenraali Martola on syntynyt Raahessa 12.5.1896. Hän liittyi Suomen armeijaan vuonna 1915. Hän omaksui sotilaallista koulutusta Saksassa vuodesta 1915 vuoteen 1918 ja taisteli sen jälkeen Suovapaussodassn v. 1918. Hän jatkoi sotilaskoulutustaan Pariisissa n. kahden vuoden ajan. Mainittakoon, että hän oli Aseistariisuntakomitean jäsen Genevessä vv. 1926 - 1934. Hän palveli myös Suomen sotilasasiamiehenä Pariisissa vv. 1928 - 1931. Toisen maailmansodan aikana hän oli divisioonan komentajana Karjalan kan-

naksella. Vv. 1944 - 46 hän toimi mm. ulkoasiainministerinä ja Uudenmaan maaherrana, jonka jälkeen hän työskenteli lähinnä liiketoiminnan hyväksi aina Helsingin Olympialaisiin saakka, joiden johtaja hän oli. Erittäin merkittävää hänen uransa aikana on ollut työ, jonka hän on tehnyt Punaisen Ristin sekä sotaeskiön hyväksi. Hän tuli UNFICYP:n johtoon toukokuussa 1966 ja nyt erotessaan toivotavat hänelle parhainta menestystä suomalaisten lisäksi kaikki kontingentit.

Secretary General's Farewell Message

"On the occasion of this farewell parade for General Martola I wish to express, as Secretary-General of the United Nations, my deep appreciation for the distinguished and devoted service which General Martola has rendered to United Nations peace-keeping and to the island of Cyprus in his three and a half years as Commander of the United Nations peace-keeping force in Cyprus.

To a distinguished and gallant career in the Armed Forces of his own country, General Martola has added two highly successful tours of duty with the United Nations in

the service of world peace, first as military adviser to my predecessor, Secretary-General Dag Hammarskjöld, during the Suez crisis of 1956 — 1957 and now as Commander of UNFICYP. While I regret General Martola's departure, I fully understand his reasons for requesting that he be relieved of his heavy duty with UNFICYP.

All of us at United Nations Headquarters in New York and, I am sure, his colleagues in Cyprus as well will miss him greatly. I send to him and to Mrs. Martola my warm wishes for the future."
